

Course description

Start and finish at the restaurant at David Crockett State Park, Lawrenceburg. After start on the main park road the course turns right at the swimming pool and onto a winding walking trail back to the park road. Turn left to a steep downhill to a covered bridge over Shoal Creek. This is the lowest point. Two steep uphills go back to mile 3 past the starting line. Rolling course to the turnaround (mile 4.3) and back to the finish in the parking lot. Considered moderately hilly. Great to meet everybody with 2 easy miles to go and plan for the winning strategy.
